By signing below, I understand that a Non Resident request will not be granted if the presence of the student will cause the enrollment to reach the maximum class size or grade band averages established by the State of Tennessee and the Cleveland Board of Education. I also understand that a Non Resident student must maintain satisfactory attendance, behavior, and effort to remain in the new school. Furthermore, I recognize if enrollment containing Non Resident students exceeds these numbers during the school year, the Non Resident students will be excluded in the order prescribed in Administrative Procedure 6.204.1. In the interest of the welfare of the student, the Non Resident student will not be excluded after being enrolled in a school for 120 days.

**Maximum Class Size:** 30 students (6th), 35 students (7th-12th)

**Maximum Grade Band Average:** 25 students (6th), 30 students (7th-12th)

I further understand that the school principal will make a decision concerning the availability of space for my child as soon as he/she is able to make an informed judgement.

For Non Resident students to attend, all tuition payments, when applicable, are due before the first day of classes.
